*The music of Christmas is a treasure for both the ear and the heart. Each winter it covers our lives with a hopeful blanket of sound and reminds us that even in the silence of winter, there is song. Each tradition offers its own rich vocabulary of holiday carols joining together faith and art into a glorious fabric of melody and truth. From angelic acclamations to delicate lullabies, the message of God's love leaps from the pages of our songbooks and finds a home in the tender place of our hearts,*

*"Tapestry of Light" is a joining of traditional carols, primarily from the British Isles, with scripture reading and candle lighting. I was inspired by recent trips to Ireland, Scotland, Wales, and England to create a work that celebrates the rich heritage of seasonal song that is part of this great tradition.*
